Arrowmen of TaTsuHwa:

Effective September 20, 2016, Steve Balman tendered his resignation as Lodge Adviser. I know we all owe Steve a huge debt of gratitude for not only his service to the Lodge as Lodge Adviser, but to the many hours he spends serving Scouting in other capacities. We wish Steve continued success and support as he continues to serve Scouting in the Commissioner Service assisting the units he has.

A recent inquiry by one of our Brothers asked, "What next?" My response was business as usual. The Lodge is in capable hands with our current Officers and Chapter Advisers, as well as other adult leadership. In the interim, as Staff Adviser, I have been charged to ensure continued and smooth operation of the Lodge through the Lodge Officers until the announcement of the new Lodge Adviser. I can assure you the interim period will be very brief.

The Chief of the Fire will appoint a successor Lodge Adviser within the next week. Rest assured, the selection of a new Lodge Adviser will be handled in the best interest of the Lodge and the Scouts we serve. The gentlemen on our list are very capable and experienced Arrowmen, having served our Lodge for many years in many and varied capacities.

Please let me know if there is anything you need or if I can be of service.
